WEEKLY ACADEMIC ACTIVITY (2023 – 2024)

September 4th - September 8th 2023

CLASS IV

S.No	Title	Content
1	Central Idea	Distribution of wealth affects communities and individuals access to equal opportunities
2	Lines of Inquiry	• Relationship between wealth and power. • The impact of distribution of wealth on communities and individuals. • Equitable access to resources and opportunities.
3	Inquiry	• Introduction to the Tran-disciplinary theme - Sharing the Planet and topic Wealth was done through a picture provocation (collage of the images found in currencies of different countries was shown to derive the term 'currency' and in turn 'money'). • The Poor Man story was narrated followed by the discussion about the physical aspects of currency notes; colour, patterns, texture, smell etc. • Students were given a list of a few countries' names to find out the currency name of given countries and symbols used to represent those currencies as their home assignment. • Word web on 'Money' was followed by songs on 'Money' by Pink Floyd and That's What I Want by Barrett Strong. • Reflection on 'wealth' using VTR 3-2-1 bridge followed by discussion and vocabulary building to connect to 'Central Idea' and LOI. • Journal writing/ Poster Making on 'If I Had A Million Dollar' was done to know their point of view on money. • Introduction to the Central Idea, Lines of Inquiry and Key Concepts were discussed and Cover Page was done.
