**Transdisciplinary Theme: How we express ourselves**

**Central Idea:** Communication is influenced by feelings and emotions.

**Lines of Inquiry:**

- The ways in which we share our ideas and feelings.
- Situations that influence communication.
- Communicating and expressing our creativity.

**Discussion on Activity:**

- **Picture Interpretation:**

Students were shown some pictures and they were asked:

- ❖ Think about which of these pictures shows what you are feeling like right now.
- ❖ Why would you say that?

Students were divided into groups and given printouts of different emojis. The following questions were asked:

- ❖ Are all the emojis exactly the same shape?
- ❖ What about them is different and what about them is the same?
- ❖ How are they different from each other and yet able to convey the same emotion?

- **Illustration:** Students were asked to think about something they like and illustrate it and share how they felt.

- **Poem:** “I have a happy face”.
